

Speaker

Dr. Richard Coe

**MA VetMB CertSAS
DipECVS MRCVS**

Richard graduated from Cambridge University in 1998 and after an internship at Penn, completed a residency in small animal surgery at the University of Bristol. Richard obtained the ECVS diploma in 2007. After a spell as a lecturer at the Royal Veterinary College, Richard moved to Scotland to join Vets Now Referrals at their first referral hospital in Glasgow, where he sees both soft tissue and orthopaedic surgery, with a particular emphasis on trauma (fracture repair and wound management), working closely with boarded ECC clinicians. He is also involved in delivering surgical training within Vets Now and has also lectured widely both in the UK and internationally.

Speaker

Dr. Amanda Boag

**MA VetMB DipACVIM
DipACVECC FHEA MRCVS**

Amanda graduated from Cambridge University in 1998. She undertook further clinical training at the Royal Veterinary College and the University of Pennsylvania and is Board certified in both Internal Medicine and Emergency and Critical Care. She was a Lecturer in Emergency and Critical Care at the RVC from 2003-2008. In September 2008, she took up the post of Clinical Director at Vets Now where she has responsibility for clinical standards and training across 52 sites. She is the author of many peer reviewed articles and book chapters and is Co-editor of the BSAVA Manual of Emergency and Critical Care. She acts as a veterinary consultant for both Pet Blood Bank and the Veterinary Poisons Information Service and is currently President of the European Society of Emergency and Critical Care and an RCVS Council member.
